Subject: Happy Birthday, Doogie! (Song by Celine Dion)

Happy 18th Birthday, Doogie!!

Doog, it doesn't take your birthday for Mommy to think of you, and miss you. I do that some each day. I heard this song on the radio today and knew it was meant for your special day. You are spending your birthdays with God now - probably no more dressing you up, as Mommy did - but wherever you are our love continues as always. Our hearts are one. I miss you little boy, so much, Thankfully, you and God sent Mommy 2 other little canine (and quite a few feline) babies to love. Happy Birthday, my Doogster. Mommy loves you forever and a day. My heart will go on.....

Song Lyrics: "My Heart Will Go On"
Recorded by: Celine Dion

**Every night in my dreams
I see you, I feel you,
That is how I know you go on**

**Far across the distance
And spaces between us
You have come to show you go on**

**Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on**

**Love can touch us one time
And last for a lifetime
And never let go till we're one**

**Love was when I loved you
One true time I hold to
In my life we'll always go on**

**Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on**

**You're here, there's nothing I fear,
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart
And my heart will go on and on**
